Subject: Class III Permit Docs

Hi Lucita,
The Class III Fact Sheet and Permit are saved at
I:\30 Day Share\Valois\Dewey Burdock\Class III\PermitDocs

I didn't get to complete the Fact Sheet/Permit comparison as thoroughly as I would have liked. I will do that Monday. So if you would like to start with the permit, I will finish up with making sure the Fact Sheet meshes with the permit requirements.

I have just a few edits to make to Dan's aquifer exemption document, then I will save that to the same folder.

Then I will make the changes to the Class V permit. I hope to have that ready by the time you finish with the Class III docs. Once you feel we have the Class III docs the way you want them, I think we will be ready to brief Shaun again.

Thanks!
